Certificate of Enrollment

This certification confirms that _____
_____ is formally enrolled in the DebtSupportPros
Invalidation Program and, through DebtSupportPros' attorney
referral network, has secured legal representation under the
program.

Every client in the program is represented under a standardized
\$25,000 legal retainer. You never pay this out of pocket - it is
funded through the enrolled accounts.

Even if you don't have the full amount available, you are still fully
represented under the program.

Your Responsibilities

- Follow the three rules outlined in your welcome letter.
- Forward any letters, emails, or texts you receive from
creditors directly to us - do not respond on your own.
- Cut up or shred your enrolled cards so that no one can
access those accounts again.
